

Introduction to quilt making - materials list.

You can choose between 3 different designs for your quilt. Each design is suitable for a beginner to make.

Here is a list of the basic requirements, and the fabric needed for each quilt. You will only need fabric for the one quilt you choose to make.

You will need:

A sewing machine, in working order, with pedal, mains lead and a walking foot. You may bring your own machine, or let us know if you would like to use one of ours.

- Pins
- Fabric scissors
- Fabric marking pen or pencil, erasable.
- Sewing needles, sharps work well
- Cotton thread, neutral colour, or a colour to match your fabric
- Tacking thread (any spare thread will do, if you have some thread at home)
- Thimble, if you like to use one.
- Notebook, pencil or device for note taking
- Rotary cutting equipment if you have it, if not, you can use ours.

Fabric for the squares quilt (100% Cotton craft weight fabric):

Finished size 38 inches x 38 inches.

25 cm of each of 5 different fabrics

25cm of fabric to make binding

1m backing fabric

1m x 1m wadding (wadding is very wide, you will need half a width, so you might want to 'go halves' with another student at the class).

Fabric for the triangles quilt (100% Cotton craft weight fabric):

Finished size 34 inches by 34 inches

A fat quarter of each of 2 fabrics

Half a metre of a third fabric

40cm of sashing fabric (for the borders)

25cm fabric to make binding

90cm backing fabric

90cm x 90 cm wadding, as above, you might want to share a cut length of wadding with another student.

Fabric for the Stripes quilt (100% Cotton craft weight fabric):

Finished size 35 inches by 35 inches

20cm of each of 5 fabrics

1m backing fabric

1m wadding, (half a width, you may be able to share with another student)

You can choose your fabric at the class, or you can come to the shop before the class and we will help you select what you need for your project.
